INTRODUCTION

By Bro. R. Love El,
Grand Sheik of The Moorish Science Temple of America

This introduction is written to inform the Moors, and readers of the importance of the things that the Holy Prophet Noble Drew Ali said, when speaking to a group of Moors, or to an individual.

The Holy Prophet Noble Drew Ali was a message carrier for Allah, the same as the Angels of Allah. To the Moors, the Prophet Noble Drew Ali is an Angel of Allah, who was sent to bring us the everlasting Gospel of Allah. The words that the Prophet spoke to the Moors were the messages of Allah that the Prophet brought to us. The Prophet said, "Every word I speak is spirit, and you Moors had better heed (That is regard His words with care, consider them, give them our attention and obey).

The Holy Prophet Noble Drew Ali is due high honors in his station as a prophet of Allah; He is due high honor for the work He performed; He is due high honors for the suffering that He went through that we may receive the holy and divine messages that He brought for our salvation. The things that the Prophet said are due high honor, because they are from Allah, the Great God of the Universe.

A special warning to some, who have committed a gross wrong in violation of a warning from the Prophet, wherein He said, "Woe upon the one that scatters my flock." The Moors that have been in the Moorish Science Temple of America long enough, they have seen the reward of those that committed this wrong. It is not well, what they have earned by their wrongful acts. Though the workers of this evil use the names of Allah and his Prophet to lure others from the true faith and path, they work but evil, and they lead astray those that also go to their harm.

Religious or political issues are not at issue, and when these wrongs are committed; there is but one issue, and that is right and wrong. We Moslems, true submitters to the will of Allah, should obey Allah, and his Prophet Noble Drew Ali. The Prophet said, "Let me find you, where I left you." This warning is plain.

One should never say that the Holy Prophet said a thing unless you know it to be right. The Holy Koran of Mecca teaches that "The man that tells a lie on Allah or the Prophet creates a terrible doom (that is that man creates a terrible doom for himself). Honor the Holy Prophet Noble Drew Ali, and honor his words.

PEACE

It is against the law to stand up in any audience intoxicated. The leader is not to stay out all night, giving earnings away to someone else. You who are heads of Temples, it is easy for you to destroy the influence of the Temple; now lace up your shoes, and get right!" "You, stop figuring out your way, how your salvation shall come, just follow me. You can say one thing Moors, you have made a start for the kingdom. If you want success, you must follow the Prophet."
